

2009

OBJECTIVES

At the end of the conference participants will be able to:

Identify multidisciplinary strategies to improve adherence to an HIV treatment regimen

Discuss HPV natural history, health risks, and screening strategies in an HIV-infected population

Describe current research and guidelines on when to initiate antiretroviral therapy

Understand the diagnosis and treatment of active and latent tuberculosis and the management of TB drug resistance in the HIV-positive patient

Accreditation

Nursing

This program is approved for **5.0 nursing contact hours** by the Inova Learning Network. The Inova Learning Network of Inova Health System is approved as a provider of continuing education in nursing by the Virginia Nurses Association, which is accredited as an approver of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.

Social Work

Inova Health System is a licensed health facility. To apply hours spent attending this program towards your social work continuing education requirements contact the Virginia Board of Social Work.

Inova Health System is a not-for-profit health care system based in Northern Virginia that consists of hospitals and other health services including emergency and urgent care centers, home care, nursing homes, mental health and blood donor services, and wellness classes. Governed by a voluntary board of community members, Inova's mission is to improve the health of the diverse community we serve through excellence in patient care, education and research.
