

Transplant Surgeons

Among this group of highly-specialized surgeons, all of whom practice at Inova Health System facilities, are the transplant surgeons associated with Inova's Advanced Lung Disease and Transplant Program (indicated by arrows).

From left to right, our noted transplant surgeons include (back row) Edward Lefrak, MD; Alan Speir, MD; Paul Massimiano, MD; (middle row) Nelson Burton, MD; Lucas Collazo, MD; Anthony Rongione, MD, and (front row, John Rhee, MD.
