

RESEARCH VOLUNTEERS NEEDED

STUDY FOR TREATMENT OF INSULIN RESISTANT NONALCOHOLIC FATTY LIVER DISEASE

*Outcomes Research Program
Center for Liver Diseases
Inova Fairfax Medical Campus*

We are currently running a research study to test an individualized intervention among patients with insulin resistant NAFLD, aged 18 or older.

You may be assigned to either the treatment group, testing such an intervention, or a control group, receiving patient standard of care.

Your participation is entirely voluntary and you may withdraw from the study at any time.

If you are interested in participating, please contact one of the following researchers:

Patrick Austin

Patrick.Austin@inova.org
(703) 776-4045

Carey Escheik

Carey.Escheik@inova.org

INOVA FAIRFAX MEDICAL CAMPUS

Claude Moore Health Education & Research Center

3300 Gallows Road
Falls Church, Virginia 22042

1. Enter Inova Fairfax Medical Campus via Gallows Road by the **BLUE** entrance.
2. Park in the blue patient parking garage on the right. *(We will validate your parking.)*
3. Cross the street, and take a right. Keep walking down the sidewalk *(away from Gallows Road)* until you see the Claude Moore Health Education & Research Center on the left.
4. Enter the Claude Moore building. You will see two elevators at the back of the lobby. Go up to the 3rd floor.
5. When you exit the elevators, go to the left. You will see signs for the Outpatient Clinic. Please ask for Patrick or Carey.
