

Founded in 1976, **Inova Mount Vernon Hospital** is a 237-bed community hospital offering patients convenience and state-of-the-art care in a unique healing environment.

Supplementing its comprehensive acute care and emergency department services, Inova Mount Vernon Hospital is home to the nationally recognized Inova Joint Replacement Center and the Inova Rehabilitation Center. Both are ranked among the top orthopedic and rehabilitation programs in the country.

It also is the administrative and clinical home for the Inova Wound Healing Center, the region's largest and most experienced. Inova Mount Vernon Hospital also administers Inova HealthPlex – Lorton, a full-service healthcare facility that combines the latest technology with a comprehensive array of services, including 24-hour emergency department, radiology and laboratory services.
