

Inova Virginia Surgery Associates Office Information

Hours of Operation and Contact Information

You can reach any of our office locations by calling 703.359.8640 between the hours of 8:30 a.m. and 4:30 p.m. Monday through Thursday, and 8:30 a.m. to 4 p.m. on Friday. Please note: Office hours on the third Friday of every month are 8:30 a.m. to 2 p.m.

Contacting the Physician On-Call

One of our surgeons is always on-call and can be reached through our answering service for urgent medical problems. If you need to contact the physician on-call, please call 703.359.8640. Please provide your name, nature of your call and a telephone number where the physician can reach you.

Scheduled Appointments

Our offices are open for scheduled appointments 8:30 a.m. to 4:30 p.m. Monday through Thursday, and 8:30 a.m. to 4 p.m. on Fridays.

If you have made an appointment and are unable to keep it, please contact us 24 hours in advance. We will make every effort to see you on time at your scheduled visit; however, emergencies may arise from time-to-time which may delay your scheduled appointment time.

Some insurance plans require you to have an insurance referral issued by your primary care physician to see one of our surgeons. If your plan requires this, it is imperative you bring it with you to your appointment. It is to your benefit to secure your insurance referral prior to your visit to ensure your insurance benefits are maximized. As the referral is a requirement by your insurance plan, we are not allowed to bill them for the visit without the required referral. Therefore, it will be necessary to re-schedule your appointment if you arrive without your referral.

Prescription Refills

To obtain a prescription refill, please call 703.359.8640 to speak with a nurse. Please have the name of the medication and the telephone number for your pharmacy readily available. Once your doctor has authorized the refill, it will be forwarded to your pharmacy.

Clinical Questions and Test Results

Should you have questions for our clinical team, please call 703.359.8640. Urgent requests will be handled as soon as possible. All other calls requiring follow up will be returned within one business day.

Test results are generally received within 7 to 10 days after tests have been performed. Our providers review all reports and will discuss them with you at your next office visit.

Patient Forms and Policies

Please visit inova.org/patients-visitors to access patient forms and review other important information including patient rights, Inova policies and billing information.
