

COVID-19 Testing for Scheduled Procedures at Inova Loudoun Hospital: Inductions and C-Sections

If you are having a scheduled C-section or labor induction, you will need to have a COVID-19 diagnostic test in advance. Please reference the table below for recommended timing.

- Inova Loudoun Hospital Outpatient Lab (44045 Riverside Pkwy.) is offering walk-in COVID-19 testing for patients with scheduled procedures, Monday – Friday from 8 a.m. to 4 p.m. The lab is located on the first floor of the north hospital concourse. Please park in the North Parking Lot or North Parking Garage and enter at the North Hospital Entrance.
- Please bring a signed and dated prescription with the date of your scheduled procedure and your photo ID.
- **No visitors are permitted. Your support person may wait outside of the hospital.**
- Please self quarantine after the test is completed.
- Results can be expected 24 – 48 hours following the test. Positive results will be reported to your provider.
