

Free, One-on-One, Multilingual Assistance for 2021 Open Enrollment Health Insurance Marketplace, Medicaid and FAMIS

Partnership for Healthier Communities (PHC) and Young Invincibles will be providing free, one-on-one, multilingual health plan enrollment assistance for people enrolling in the health insurance marketplace, Medicaid or Family Access to Medical Insurance Security (FAMIS).

We will provide this assistance over the phone.

Our teams help to link uninsured children and adults with appropriate and affordable healthcare services. All PHC staff members are bilingual in English and Spanish and have access to a translation line for other languages.

Benefits of Health Coverage

- Prenatal care
- Wellness checkups
- Emergency visits
- Tests and X-rays
- Vaccinations and prescriptions
- Vision and dental care
- Mental and behavioral healthcare

Open enrollment runs through Tuesday, Dec. 15.

Call us today to schedule your appointment for online enrollment application assistance at 703.698.2550.

What you will need for your one-on-one phone appointment:

1. Social security number for all household members or document number for immigrants
2. Identification, e.g., photo ID, driver's license, visa, work permit, green card
3. Income information, e.g., pay stub from October 2020, W2 form or most recent tax return
4. If you have created an online profile at healthcare.gov, please have your login information, including your user name and password available
