

Second-year Residents

Neha Balapal, MD

Education:

City University of New York School of Medicine

Why Inova?

I was confident that I would receive strong inpatient and outpatient training while also being able to pursue my areas of interest.

Grace Lechmann, MD

Education:

University of Maryland School of Medicine

Why Inova?

I felt that this program was going to make me the best family physician that I could be in a friendly and supportive environment.

Ziyang Chen, MD

Education:

University of Virginia School of Medicine

Why Inova?

I loved that when the residents spoke about clinic, it was clear that they had been able to form meaningful relationships with their patients

Dana Shefet, MD

Education:

East Carolina University School of Medicine

Why Inova?

Inova stood out to me as my top choice for its strong clinical training, emphasis on resident growth, and a supportive learning environment.

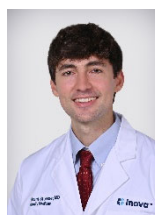

Vivian Dong, MD

Education:

University of Virginia School of Medicine

Why Inova?

I appreciate the program's inpatient and outpatient structure and the opportunities to teach and stay involved in medical education.

Grant Stamper, MD

Education:

Indiana University School of Medicine

Why Inova?

After interviewing with Inova-Fairfax Family Medicine, I told my family and friends that I had found my future home.

Sydnée Goyer, MD

Education:

Lewis Katz School of Medicine at Temple University

Why Inova?

I learned just how amazing a fit Inova was for me when I saw evidence of what a supportive, encouraging team the faculty and residents are.

SooYoung VanDeMark, MD

Education:

Geisinger Commonwealth University School of Medicine

Why Inova?

I am repeatedly pleased that I chose Inova. This program upholds a true work/life balance. I feel well supported in my future professional goals.

Nia Kalifa, MD

Education:

Medical College of Georgia at Augusta

Why Inova?

I was particularly interested in the opportunity to explore my medical interests through the many areas of concentration offered.
