

Coping with Scanxiety

Thursday, September 10, 2026

12:00 pm–1:00 pm (online via Microsoft Teams)

Alana Yanagida, Behavioral Health Therapist

Join us for a FREE online educational workshop

Feeling anxious before, during, or after medical scans – often referred to as "scanxiety" – is a common experience. This workshop will share practical strategies and tools to help you manage scan-related stress and worry.
