

Medical Hospitalist ICD-10 Training Plan

The ICD-10 training plan for Medical Hospitalists is a two-part plan consisting of self-learning modules and interactive training.

Part 1: Self-Learning Modules

Log onto [HealthStream](#), click the “Catalog” tab and search for “**ICD-10 Training for Medical Hospitalists.**” Complete the following course:

Functions and Templates Supporting Quality Documentation of Diagnoses in Epic

Course objectives: Physicians will develop working knowledge of the following:

1. Effective management of Problem List
2. Use structured documentation templates:
 - a. Discharge Summary
 - b. Death Summary
 - c. Final Progress Note
3. How to create an addendum
4. Become familiar with the workflow for malnutrition diagnosis – request RD Nutrition Assessment and Co-sign Malnutrition Assessment Note
5. Effectively use Sidebar Reference Report to access specialty reference cards located on the “[Physician Documentation](#)” page of InovaNet
6. How to respond to concurrent queries
7. How to respond to retrospective queries
