### Financial Assistance

Everyone receives quality care at Inova, regardless of his or her ability to pay. Inova provides Financial Assistance to patients based on their family size, income, needs and residency. Federal Poverty Guidelines (FPG) are updated periodically in the Federal Register by the U.S. Department of Health and Human Services. Inova reviews accounts for eligibility based on 400% FPG guidelines:

Family Size	1	2	3	4	5	6
Maximum Income	\$58,320	\$78,880	\$99,440	\$120,000	\$140,560	\$161,120

A completed Financial Assistance Application, with one form of Income Verification and one form of Residency Verification, is needed for us to quickly determine your eligibility for Financial Assistance.

Please visit <https://www.inova.org/patient-and-visitor-information/financial-assistance> to review our policy and download the application. In addition, patients can apply through MyChart. For additional support, please call our Financial Assistance Team at **571-472-5880**.
