From the East (Washington/Falls Church):
Pass under I-495 and exit onto 650/Gallows Road. At the light at the top of the ramp, turn left onto Gallows Road. Turn right at the second light to enter the hospital campus via the Blue Entrance. The PCC is located on the left side after you pass under the covered walkway.
Inova's Advances in Pulmonary and Critical Care Medicine Symposium is a full day comprehensive symposium that offers top-quality education and the opportunity to talk directly with expert faculty. This symposium provides current and practical information in addition to hot topic discussions covering cutting edge advances in pulmonary and critical care medicine. In addition, physicians and other health care professionals will have the opportunity to consider current standards of care, as well as recommendations for optimizing patient care.

**Statement of Need**
There is an urgent need to improve the delivery of evidenced-based care in Pulmonary and Critical Care Medicine. This will help align physician practice styles, keep physicians abreast of important advancements in the field, resulting in improved physician alliance with evidence-based practices, and improved quality performance measures.

**Who Should Attend**
This symposium is intended for physicians in the medical specialties of pulmonary medicine, critical care, infectious disease, internal medicine and family practice. It will also be of interest to respiratory care practitioners, physician assistants, nurse practitioners, nurses and other allied health care professionals interested in pulmonary medicine.

**Accreditation Statement**
The Inova Office of Continuing Medical Education is accredited by the Medical Society of Virginia to provide continuing medical education for physicians.

**Credit Designation**
The Inova Office of Continuing Medical Education designates this live activity for a maximum of 7.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. Physicians may claim up to 775 credits in Type 1 CME on the Virginia Board of Medicine Continuing Competency and Assessment Form required for renewal of an AMA PRA CME Program certificate. Physicians may claim up to 775 credits in Type 1 CME on the Virginia Board of Medicine Continuing Competency and Assessment Form required for renewal of an active medical license in Virginia.

**RESPIRATORY CARE PRACTITIONERS**
An application has been submitted to the American Association for Respiratory Care (AARC) for continuing education contact hours for respiratory therapists.

**Physician**
1st Time Attendee  $175
Returning Attendee  $150

**Respiratory Therapist/Nurse/Other Allied Health Care Provider**
1st time attendee  $125
Returning attendee  $100

**No Charge**
Resident/Student/Fellow

**REGISTRATION:**
Online Register online at: [www.inova.org/pulmonarycme](http://www.inova.org/pulmonarycme)

**Confirmation**
A confirmation e-mail will be sent to you following registration. Please e-mail Judy Espiritu at judy.espiritu@inova.org if you do not receive an e-mail prior to the conference.

Registration fees include meeting materials, continental breakfast, lunch and breaks. Paid-in-full registration is required for admittance. Onsite registration will be accepted only if space permits. Panel Discussion COPD: Where Are We in 2013
Fernando J. Martinez, MD, MS

**Break and Exhibits**
Aerosol Therapy: Science, Marketing and Reality
Gerald Smaldone, MD

**DEAR COLLEAGUE:**
On behalf of the Inova Fairfax Hospital Department of Medicine, it is a pleasure to invite you to attend the Advances in Pulmonary Medicine Symposium held at Inova Fairfax Hospital Physicians Conference Center in Falls Church, Virginia, Saturday, March 16, 2013. Attendees will be privy to the latest information, emerging and evolving diagnostic and treatment strategies and how to incorporate these into quality patient care. Presentations, lectures, case studies and open Q&A sessions on key topic areas in pulmonary and critical care medicine will be presented by leading experts in the field.

A prestigious international teaching faculty has been assembled to promote dialogue regarding major aspects of pulmonary and critical care medicine. These experts focus on the latest technology available and provide state-of-the-art education regarding both the outpatient and hospital settings. We are very fortunate to present this panel of exceptionally talented speakers to bring the educational program to life as outlined in the brochure.

The goal for this conference is to update the practicing pulmonary and critical care physician in topics that will improve patient care. Please take a moment to review the details of the symposium. We hope you will plan to take advantage of this unique educational opportunity. We look forward to seeing you on March 16th.

Sincerely,

James P. Lamberti, MD
Medial Director, Respiratory Care Services
